## OUR GUARANTEE

### **Prompt Processing & Dispatch:**

Orders placed prior to midday are dispatched on the same day, whereas orders received after 12 noon will be shipped the next day.

### **Best Prices & Discounts:**

To cut down on intermediary costs, we buy products directly from manufacturers and wholesalers in large quantities. We share these savings with our customers.

### **Authentic Quality:**

VetSupplyMax only sells authentic and Brand Name products. Shopping with us is no different than buying from your veterinarian, but at a lower price. Every product we sell on our website is thoroughly inspected by our team of experts before we store them in our warehouse, so you can be rest assured that the products you receive are of the highest quality.
